

The end of the Age of Grace.

17 November 2009 –

I received a word from God, which was very controversial. In fact, so much so, that many people challenged me on this word. How dare I say something like this, because it can never be true? This is the word that I have received:

Who will proclaim to my people that the time/age of grace has passed?

Introduction

It created all kinds of problems for me, but mostly people would say that it was not a word received from God. This is a false proclamation. Well I have written it down anyway and saved it on my computer. To be honest, I did not receive this message in English either, it was given to me in Afrikaans, my native language. To try and translate the whole of the thing is very tough and complicated, but it basically comes down to this few points:

- a) Who will stand in the throne room of God?
- b) Who will listen to the proclamations in the heavens concerning my people?
- c) Is there not a prophet amongst you that I can send to my people?
- d) In days past I, the Lord God, promised that I will not do anything before I told my proclamations to the prophets.
- e) But now there is no prophet available that I can send to my people to tell them that the time/age of grace is passed.

It was written in the form of a poem, but in the end the essence of the whole question was captured in this one sentence: ***Who will tell my people that the age of grace has passed?***

I must admit, even to me this was very troubling, but I've never forgotten it. This morning (16 April 2017) however, while reading through all my old stuff, I came across this proclamation again and it suddenly hit me like a rock.

While we always thought that this had to do with the people of our church, this may not be true at all. This proclamation was made concerning the whole of Israel in the sense of the body politic of Israel. It is also not confined to people individually, but to the group of people or nations that constitute the whole house of Israel.

Now let us see if we can understand this proclamation in terms of what has happened the past 8 years.

A Very important note: *I know many people will say that I want to take people back to the law like the Jews. No, that is not it. I want to state emphatically that we are saved by grace alone and because we are saved, we start to observe and obey the laws of God, which are the laws of His kingdom, or at least we try to do that. Please keep this in mind when you read further.*

Concerning the USA:

It was basically during the beginning of the Obama Administration that I received this word. A fundamental problem that was associated with this administration was the fact that Israel did not choose a leader from amongst themselves, they chose a foreigner to lead them, something which is strictly forbidden by the word of God for all of Israel.

Deu 17:14 When thou art come unto the land which the LORD thy God giveth thee, and shalt possess it, and shalt dwell therein, and shalt say, I will set a king over me, like as all the nations that are about me;

Deu 17:15 Thou shalt in any wise set him king over thee, whom the LORD thy God shall choose: one from among thy brethren shalt thou set king over thee: thou mayest not set a stranger over thee, which is not thy brother.

When one disobeys the laws of God, there are always consequences. Many people don't see or understand this, but that does not make it less true. In all accounts the Obama Administration was a total disaster for the American people. They have broken down America, morally, financially and

politically. The corruption of the USA government escalated to new heights. Their war mongering intelligence agencies have destabilizes more countries than ever before.

The American public started to wake up, but the problems that the liberal media created was just beginning to show. And the American people started to divide into all kinds of crazy factions, but basically the divide was just between left and right or conservatives and liberals.

With the rise of the Trump Administration the conservatives gained a little ground, but to be honest, the process of destroying America from within was just slowed down a little bit. It cannot be halted. The moral decay of the USA and the west are more than just a little bit evident in the rise of the SJW's and the LGBTQ groups. Even now people start fighting to get Pedophilia legalized. This is a direct result of the religious prostitution of the modern churches. Not all of them, but most of them. How can people become pastors and preachers if they have not received a word from God?

Between all of this we see that witchcraft is being romanticized from Hollywood to Disney, everyone seems to be enthralled by witches. Magic is fast becoming the new norm in the west. We see all kinds of different television shows, and some of these stuff is just way beyond believe. Amazingly, they are doing well, or so we think because through their magic shows they raise money for all kinds of social institutions, like cancer patients, etc. These guys are really good people. Really good does not make you a Christian or a believer in Jesus Christ. We think they are amazing and cool, wait till a spirit filled child of God came into focus. We will not have to raise money for the sick, they will simply be healed.

Maybe the most concerning thing of all, for me anyway, is the abortions taking place in the western nations. Blood flow like rivers in the streets because we can choose. The blood offerings to the false gods of the pagans. But hey, we can choose, that is our right.

These are just some of the deadly sins of the west. There are many more and we better start understanding what is happening at the moment in context of what the bible teaches, or we will be really sorry.

Concerning Britain and Europe:

The Islamization of Britain and Europe has begun in earnest with the invasion of the so called refugees from Africa and the Middle-East. For the first time Europeans and Britain's start experiencing the incredible reality of living with third world people in the same space, so to speak. These people who will leech on your morality, sympathy and empathy to get what they want. The world leaders opened up country after country to welcome these so called refugees; in many instances displacing their own citizens to make place for these people.

The immediate effect of these policies was quite radical. European countries suddenly start to experience criminality and terrorism at a whole new scale. But still they keep on welcoming these people into their midst and still they keep on experiencing more and more of what criminals and Islam has to offer.

They don't enjoy it, but they are so afraid of not being politically correct that they will rather live in fear than being called a racist or a nationalist.

The things that I've discussed concerning America is just as true for Western Europe.

South Africa

This is also true for South Africa. The problem however, is that South Africa is a communist country. It really does not matter how we cut the cake, the end result will always stay the same. But the white people in South Africa has also murder and rape and a few more rather unpleasant things to contend with. I do believe that South Africa has a very unique situation and that something very unique will have to happen to change the status quo in this beautiful country. What it is, I don't know. The thing that concerns me most is that the white people in South Africa has abdicated totally. Today it seems that they want things this way. They enjoy living in a totally corrupt and lawless society where anything goes. There is no repentance here for the nation, nor will there be. We are even more divided than the Americans. This situation was brought about by our church leaders. Unfortunately in South Africa, preachers had nearly unlimited power over the people and that power were used to brought about the changes in this nation. Our faith were used against us, by our own church leaders.

Today, most Afrikaner people does not have a clue what the bible really teaches and that is because of the lies that they were fed in the churches.

Tolerance

In essence, the social contract that we have lived by for a very long time, has been systematically destroyed from within. Apparently the only tolerant people are the conservatives, but even their tolerance is waning now. The preachers in the churches pacify their sheep through preaching love and longsuffering and patience and endurance. How long should we suffer these fools? The Christian faith is being destroyed because of these foolish preachers.

The liberal left will attack anyone who dares to have a different opinion from theirs, but please do not infringe on their rights of free speech, but remember you only have the right to free speech if you are a liberal. All other groups must shut-up, or they will be verbally attacked and demonize. Well even now the attacks are more than just verbally. It has become very physical also.

Apparently they are the only tolerant people. Free love for all, is the new norm. "Do what thy wilt" is shouted in the streets.

Stop tolerating sin. We are all very guilty in this department. If one tolerate sin, you consent to it, then you are part of it. It is that simple. Either you stand against it, or you are part of it. By the way, just so that we understand each other, sin is the transgression of the law. Where there is no law, there is no transgression, therefore tolerance is in order.

Government

The American government seems to be on the front end of some of the most horrific crimes in history concerning pedophile rings, child and human trafficking, and flat out treason. But it is not as if the other world governments are lagging far behind them, not by a long shot.

But it seems that the people want it so, because no one is brought to justice. In fact, their accusers are being accused as being racists, that they have no love for their fellow human beings and whatever else.

The sickening things that these people do are really beyond believe and is only topped off by their incredible will to self-destruct the western nations.

We don't understand the message of the Christ. We don't understand the work that He has done, therefore we don't understand our own mission in this world. Righteous government is part of this

message. As born again Christians we are supposed to show the way, not only in our faith, but through our faith, how to govern the land according to the laws of God. There is a reason why Christ has made us kings and priests for his Father.

Rev 1:5 And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood,

Rev 1:6 And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen.

This is the dual office of the order of Melchizedec, not only to be priests, but also to be kings, to rule and this is a righteous rule in Christ. Christians, you are called to be much more than just mindless zombies sitting in pews to be entertained by grievous wolves in sheep clothing.

To Digress:

The Western nations has fallen to their own stupidity and lack of knowledge.

Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

Hos 4:7 As they were increased, so they sinned against me: therefore will I change their glory into shame.

There is really no other way to put this. When you refuse your own God and welcome all other gods from all the multi cultures of the world, in the end there will be no place for your own God. This has happened in Europe and England, in the United States and Canada, in South Africa and Australia. There is no place for the God of Israel. We basically banished Him from our lives, because we want to be like all the other nations.

But this is not true, you would say to me; look at all the ministries going on. There are preachers and pastors everywhere and yet my people are still destroyed through lack of knowledge. The problem is that the bible is not preached anymore, or more accurately, the word of God. We have made up a Christ according to our own specifications. We have created a god that suits us. What is preached today is an abomination and has nothing to do with the God of Abraham, Isaac and Jacob.

Be Careful what you wish For...

So having said all of this. The coming of age of all these things are seen now in the demonstrations organized in the streets of our towns. Everyone is having his/her say regarding this.

Yes, it is not as if it was not there 20 or 30 years ago. These things are nothing new. The problem however, is that the cup of inequity has filled up to the brim and is starting to run over. And like all things in this world, there is also a time for this - or if you will - a season for it.

This season however, will show us the decay of our society. It will show us as a nation (an Israel nation) what happens when you turn your back on your God and follow the ways of the heathens. For this is the time when there will be no more grace for our Israel nations. If you cannot see this, well then you have to ask God to open your eyes and your mind so that you can see and understand what is happening.

There is no more grace left for our western nations, because we have forsaken our God, and now he has given us over to the foul yearnings of our own hearts.

Rom 1:18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;

Rom 1:19 Because that which may be known of God is manifest in them; for God hath shewed it unto them.

Rom 1:20 For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

Rom 1:21 Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.

Rom 1:22 Professing themselves to be wise, they became fools,

Rom 1:23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

Rom 1:24 Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

Rom 1:25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

Rom 1:26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

Rom 1:27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.

Rom 1:28 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

Rom 1:29 Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,

Rom 1:30 Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents,

Rom 1:31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:

Rom 1:32 Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

One of the things you should be able to see in this is that we are without excuse. Therefore God gave them up unto vile affections and a reprobate mind.

So please tell me that the time of grace has not passed, that what I am saying is not true. That God will allow all of these vile things to continue. How can He? The blood of innocent people, the blood of aborted babies cried out to him. However 8 years ago, God revealed to me that the time of grace has passed and that we will all live in our own filth from now on. Because we were not willing to stand up for what is righteous and good, we will all be thrown into this vile, sick state of being.

I know that a lot of you out there will say: God's grace is forever, and it is true. God will give grace to the individual person who come to Him, there is no doubt in my mind about that. But I am talking about the western nations here and not about individuals.

There will be blood.

I know that this may be the hardest part of this whole document to accept. But there will be blood. In fact if we want to be honest, there is blood already and there will be a whole lot more. God has had enough of this. If we understand the 4 judgements of God:

Eze 14:12 The word of the LORD came again to me, saying,

*Eze 14:13 Son of man, when the land sinneth against me by trespassing grievously, then will I stretch out mine hand upon it, and will break the staff of the bread thereof, and will send **famine** upon it, and will cut off man and beast from it:*

*Eze 14:15 If I cause **noisome beasts** to pass through the land, and they spoil it, so that it be desolate, that no man may pass through because of the beasts:*

Eze 14:16 Though these three men were in it, as I live, saith the Lord GOD, they shall deliver neither sons nor daughters; they only shall be delivered, but the land shall be desolate.

*Eze 14:17 Or if I bring a **sword upon that land**, and say, Sword, go through the land; so that I cut off man and beast from it:*

Eze 14:18 Though these three men were in it, as I live, saith the Lord GOD, they shall deliver neither sons nor daughters, but they only shall be delivered themselves.

*Eze 14:19 Or if I send a **pestilence into that land**, and pour out my fury upon it in blood, to cut off from it man and beast:*

Famine, noisome beasts, sword and pestilence. Just take note, one of these is the sword that represents war. Don't ever forget that God is righteous also. He will not tolerate the sins of the people of the land indefinitely. He brought Islam into the western nations to chastise them. Make no mistake, He will use them to teach us some very tough lessons, because we will not listen to Him any other way.

I am not preaching that we have a vengeful God. But I am preaching that we have a righteous God. While he love his children he would punish them if they don't turn away from their wicked ways, and to be honest, we did not turn away from our wicked ways. In fact, we have just move from bad to worse. Our religion is a waste of time, because we took God out of it and place man in the centre of it. Our God is just supposed to be our credit card. I am important in fact, I am so important to God that he gave his only son to take away the sins of the world. We just have to believe that and we are on the highway to heaven, with no responsibility at all. If we sin, He will forgive us. We are so important some people tells us that Jesus thought about all of us, when He hanged on the cross.

I am sorry, but I am going to burst your bubble. Jesus' thoughts were with His Father and the mission his Father gave him. Part of that mission was to save us, the whole truth of it was to ensure that the plan of God is fulfilled and the plan of God is to restore his creation for His name sake and not for our salvation. So we can get off that high horse of how important we are and start recognizing that we have a sovereign God who do things for His own pleasure. God has a plan and a mission and we are just part of it and not even the most important part of it. The restoration of His good name is the most important part of it. So we need to get over ourselves and start to learn and understand what this battle is all about.

We have a righteous God, one who will forgive sin, but also one who will chastise his people if they refuse to listen. Yes, He loves us, but that is no free ticket for you to just do what you want. Each one of us has a responsibility to honor God and to further his kingdom and you can only do that if you know what his kingdom is all about and what your role in that kingdom is supposed to be.

So when I say that the time of grace has passed and that we are going to be chastised by Him, I really mean that we are called to justice because we refuse to stand against the evil that is in this land. We just moaned about it, but we are not willing as a church to step up and physically stand against it. Well then, we will be forced to do it because a bloody reformation is on its way and no one can stop it.

Nations will be held responsible for their actions and it has already been started. Looking at what I've written here, are you still convinced that God will not chastise us, because He loves us so much? We need to understand that we are getting his chastisement, because he loves us. If He did not love us, He would not have cared.

There is Hope

Although all of this has been said and it may look as if we are just all about doom and gloom, that is also not true. There is hope for us in Christ. We know that a nation will not fully repent, but there are always people that will repent. For them there is hope and they need not fear.

Although our nations may be in trouble and the time of grace has passed for the nation as a whole, the time of grace for the individual will always be there, until the return of Christ. Remember He gave us his spirit of power, of love and of a sound mind. Hold on to your faith and to these 3 things in the time to come, because there is always hope.

**For God hath not given us the spirit of fear;
but of power, and of love, and of a sound
mind.(2Ti 1:7)**
